About LCAC

The Lake Champlain Appaloosa Club was formed to promote the Appaloosa horse in the northeast. It is open to anyone with an interest in equines. We welcome equestrians of all disciplines and all breeds of horses. The LCAC offers a Saddle Log & Driving Log Program open to all breeds of horses. In our effort to promote the Appaloosa horse we hold a nationally pointed Appaloosa breed show and offer both Regional year end awards as well as awards to Appaloosas that compete in open shows (holding classes that are pointed with LCAC) in our area. We also attend various equine functions to promote the Appaloosa.

Club Meetings

Club meetings are held the third Monday of each month on ZOOM at 7:00 p.m. Meeting notices are sent out to club members via email. If the date is changed or the meeting is canceled for any reason an email notification will be sent to members.
