NEWS FROM JEM FARM

Well lots of big changes here on the farm. As many of you know the biggest being our new indoor riding arena. A long time in coming, but so well worth it. Larry has been pouring his heart into this doing nearly all of it alone after we hired out to have the rafters put up. Thank you to **Jay Douglas** for donating a day to help Larry out. That meant alot. We hope to have an open house sometime after we get back from the Appaloosa World Show. Larry wants to get the heated viewing room finished first.

Well we had to cut back on a few shows, but the ones we got to the horses did super. **Smokey** was his usual wonderful self at the 4-H State Fair Show with **Erin** & got 1st in Western Road Hack & Stock Seat Equit, 2nd in Western Pleasure & 4th in Horsemanship. This may have been their last year due to college next year so they went out with a bang.

We even dragged old **Stoke** out. He never changes. He won the year end in Youth trail and came in 2nd in the Adult Trail with only 2 shows. He is doing great & you sure wouldn't think he is 23 yrs old.

Congratulations to **Robert & Michelle Collins** of MA on their purchase of **Cool N Dazzling** (Emmy). It was a very tough decision to sell her but we know we found a wonderful home for her. We wish them much success. Emmy had an impressive year in HIH Mares & is still in the top 10 in Youth HIH mares with Erin.

Dazzled in Chocolate also had a super year with **Megan**. Picking up points in showmanship, horsemanship, western pleasure and HIH. Congratulations to Ruby's new owners the **Bill, Linda, Adie & Jacob Steinfeld**. We could not have asked for a better home where she is getting tons of attention. Watch for them in 2008!

Mister Go Dazzle once again had a great year with both Erin and Larry. Earning ROM's in NP HIH and Youth HIH. He is also 2nd in the nation in English Pleasure in the ACAAP program. Good boy Azul!

Now for **Totally Rev N It**. Well as I write this he is on his way to Texas for the Appaloosa World Show. **Megan** will be showing him in NP HIH & HUS, **Ken Knowlton** will be showing him in open HIH and **Melanie Douglas** will show him in the 3 yr old HUS and Junior HUS. A top 10 would be wonderful but just getting called into the line up even once will make our day. LOL He has four days between some of his classes off so we are taking Mel and giving her a tour of all the cool spots around Fort Worth. Check out our website for photos and updates as Erin will have her laptop with her.

We had our 3rd annual fall show here on Oct. 14th. We had 25 riders able to attend. What a great time we had. I can't thank everyone enough for all your support of Jem Farm. We even got to use the new indoor. I don't think I have ever laughed so much. Special Thank you to **Pat Banker** for being our judge. We are already looking forward to the first annual spring show in April, where all the new riders can join in on the fun. Till next time. Donna www.jemfarmapps.com

News from TEAQ Farm...

It's hard to believe that we're heading into winter yet again. It seems like just yesterday we were busy trying to get the horses shed out for show season. As I look back on 2007 it was a year of set back from our show season. We faced horses that just wouldn't lose that winter hair, some stomach ailments or some growthy yearlings. So, we didn't hit all the shows that we wanted to this year, but we have much to be thankful for. My mare **Kiss** is safely infoal to **The Look** for an April foal and doing very well. She's enjoying the life of hanging out with her best buddy **Heavenly Awesome**. It seems that April can't come soon enough!

The two shows that we did manage to attend, the *LCAC Summer Classic* and *WNYAA Cowboy Classic* were great shows. **No Kiddin Im Awesome** (Paris) did super at both shows and received a Reserve Championship at WNYAA against some very tough mares, so we were very proud! **The Vision In Me** (Sydney) didn't make it to LCAC, but was super at WNYAA. She placed in the Top Ten in the Weanling Futurity and ended up the highest placing Junior Weanling. She showed like a veteran and garnered points in weanling fillies and most colorful classes! It was another great show spent with good friends. The stallion auction was again attended and I did buy a breeding for Kiss. I'm extremely excited about my choice of **Imagery**! Imagery is an up and coming stallion and I was very impressed with his foals this year and can't wait to see what Kiss & Chrome will produce in 2009. We would also like to congratulate **Britney Gale & Red Brite N Blue** (Zander) on a fantastic show season. In the short time they were together, this pair definitely shined in the ring.

A huge congratulations to **The Sample Family** on their purchase of **Beaus Eternal Chick** (Ebony)! Ebony has left her career as a broodmare behind and is back in riding shape and looks absolutely fantastic! Another congrats goes out to **Ken Lucia**, as he acquired **Miss Style Pine** (Foxy). Another great home and we couldn't be happier with the pairing!

We did slip away for a weekend trip to the Quarter Horse Congress in Ohio for some shopping, but it seemed the show lacked a lot of vendors. We have just one more show to attend this year, the Appaloosa World Show in Fort Worth, Texas. It is always a great show and it will be good to be horseless this year. It will be great to be cheering on a very special person and her mount, **Meg & Totally Rev N It** (Revy)! Meg, we wish you much success at this world show! You've got the horse to do it and all the support!

News from HDC Appaloosas

Its hard to believe that show season has already come to an end & the horses are starting to get fuzzy! 2007 has been an outstanding year for our own horses & even more so for the **Clear Vision** babies! We are thrilled to announce that Vision has made it to **BOTH Leading Halter Sires Lists!** He is the youngest stallion on both lists with by far the fewest number of total foals. A huge **THANK YOU** to all the owners of those Vision babies who have done such a fantastic job in the show pen! We would like to congratulate the following on their 2007 Accomplishments: **Harry & Mel Hubbard** with **Kissed In The Dark** - ROM FPD Mares, 3rd in the Nation FPD Mares. **Kelly Engle-Thompson** with **Enduring Vision** - ROM NP Most Colorful, two Top Five Youth World Placings, one National Top Five and one National Top Ten Placing, 5th in the Nation FPD Mares. **Mickey, Toma Matott & Macee Matott** with **The Vision In Me** - Top placing Junior Weanling and 7th overall at the 2007 WNYAA Weanling Futurity. **Tammy Middlemiss** with **Clearly Arrogant** - ROM Open Halter Geldings. **Rick & Pam Brown** with **Clearly Uncommon** - ROM NP Most Colorful, 3rd in the Nation FPD Stallions.

When show season comes to an end, we realize that foaling season is just around the corner! We anticipate that our 2008 foal crop will be the best yet! Six foals are expected to arrive on our farm beginning in March, all sired by Clear Vision. Please visit our website for the 2008 foal preview at **www.hdcappaloosas.com** On our site you will also find a link to the outside mares expecting Vision babies - be sure to bookmark those pages and keep checking back for announcements and photos as each foal arrives!

Congratulations to the following folks on their new equine partners from HDC Appaloosas. **Larry Sorrell** of *JEM Farm* and **Ms Fiddle To You** - "Demi" was bred and originally owned by *Coffee Cup Farm*. She has found the perfect home as Larry's new project and they make an outstanding team! **Diana, Sarah & Naomi Otis** and **Be My Bay B** - "Baby" is now living the good life with two beautiful young ladies to pamper and love her. **Proper Appaloosas** and **That Dolls Trouble** - "Spice" is looking forward to slightly warmer weather in Maryland and will be making her show ring debut in 2008. Are you looking for a horse??? Be sure to visit our website sale page! We have a few of our own horses listed as well as some FANTASTIC outside horses.

Before we wrap up this month's farm notes, we want to wish **Megan Sorrell & Totally Rev N It** GOOD LUCK at the 2007 World Show! We know how hard you have worked and will be cheering you on!

Bridget

News from Coffee Cup Farm

I'm sure many of you know by now what we are going thru here at the farm. Don has prostate cancer & will be operated on Nov.7. He'll have a 6 to 8 week recovery time. So I'll be in charge of all the chores.

The last 2 weekends we've had a help save Gagnon's barn party & the work our friends did on the barn is unreal. New beams everywhere & it will make it thru many more winters. A big thank you to everyone that helped !!!!

My Dr. also found more compression fractures in my back and told me I can NOT ride a horse or our Harley ever again. So guess the 9 horses we have are here to pet & feed.

I want to thank Bridget for taking Dee & Willow for me. I am not able to handle a young one any more and now with Don sick I can not get hurt.

We hope to have pups in about 40 days then I'll be real busy !

With so many medical bills coming in, some of our horses are for sale. We are down to all the good ones so no more give aways but they are priced fair.

We also have a 2 year old German Shep. female for sale, if anyone is interested.

Linda

We're wrapping up an exciting year over here! **Imagery's** first foals hit the ground running, with **Covered with Chrome** placing Reserve Grand in Mass!, his first show ever! **Solid Chrome** (pending) was a later baby, but watch out for him next year! **Had me at Hello** finished up her Open Most Colorful ROM, and we're close on the other..she was a star this year! We are most excited to announce the purchase of **Within the Rules**--an O6 Colt from **Carl & Carol Deming**. "MacGoo" showed quite successfully with **Doug Mileham**, winning the yearling futurity in Syracuse! Imagery, or "Chrome" as we know him, will be making the trip to **TW Show Horses**, in Marysville, Ohio, for the 08 breeding season. Look for his ad in the December App. Journal, designed by **Erin Sorrell!!** We aren't making the trip to Texas this year, but want to offer congratulations to **JEM Farms!!** **Totally Rev N It** is going to WOW them, I just know it!! Thanks to all who bred to Chrome in 07, and those who bought our kids!! Look us up in 08, you won't be disappointed.

News from Lynda Neveu in South Carolina

Pedro (Mena Docpine Jesse) completed his AQHA Open Reining ROM this summer. He is great and we are doing well in South Carolina. He was circuit champion in open reining at the N Carolina Spring Classic in Raleigh.

I'm thinking of selling him, as I have been riding a 3 yr old western pleasure mare and falling in love with her. Besides, everyone in the barn where I board shows pleasure horses. "When in Rome do as the Romans".

Say "hi" to all. We miss everyone.

Lynda

News from Kathy & Cadet in VA

Here is some news from **Cadet** and me: we survived another steamy DC area summer, mostly by somehow managing to get up and ride at the crack of dawn before it gets to hot. We thought we had said good-bye to the hot weather but it is in the upper 80s this first weekend of October! Cadet and I are going to a dressage show in Woodbridge, VA next weekend and will ride Training Level Test 4 & First Level Test 1. Then the next weekend I head off to Hawaii for a vacation while Cadet gets tuned up by the trainer to get ready for the *Virginia Dressage Association Schooling Show Championship* at Morven Park in Leesburg, VA on Nov.3. We will ride the same tests as in Woodbridge.

Franklin Trail Rider News

Great Year for FTR

FTR shows did very good this year and memberships were the highest they have ever been. Great to see so many new horse people.

Hi Points at Show: I guess there were questions on how show hi points are figured. Holly volunteered to do up a sheet explaining how they are figured and posting it at shows so everyone knows how they are done. Thanks Holly.

Horse Rider/Rider Number: They are for each horse rider combo. If a horse has a different rider, then you need to get a different number.

Photos for Banquet: Jason Black is going to do a power point presentation as members receive their awards. So please send your photos via e-mail or mail to him asap, so he can begin working on this.
E-mail: mnmlblack@slic.com Mailing: PO Box 144 Winthrop, NY 13697

FTR Banquet: Will be held **January 19** at the *Rainbow* in Altona. Details will be in the next newsletter in December.

FTR Members heading to Congress:

Good luck to all the FTR members who are headed to the QH Congress in OH. Be sure to let us know how you do.

Have any suggestions for changes in the FTR show program for 2008?

If you do please contact one of the officers with your ideas so they can be brought up at the next meeting.

FTR 2008 Shows

Dates to be announced.

ATTENTION FTR MEMBERS!

We will be doing our every other year **Fund Raiser in 2008**. As we did last time we will have a raffle of member donated items. Member will be asked to do two things.

1. Either bring your item to the **January Banquet**, send it with someone who is going or get it to Missy Alexander. You may call Missy at 492-7438 to make arrangements. Items of general interest are preferred as we hope items are of interest to non horse folks as well as ourselves. If you bring your item to the Banquet please tag it so we know the donor and can give credit on the list.

2. MOST IMPORTANT, please sell as many chances as possible. We have gotten a great collection of items in the past but, unfortunately, we have to give them all away to our winners! Our profit comes from chances sold. So donating is only half of what we need members to do

FTR points 53 classes. We spend a minimum of \$45 per class for Year end Awards and more if we have ties. In addition we have a record number of 15 Participation awards this year. (Great job Youth members!) That is well over \$2,000 per year on awards. Add in judges, ribbons, Fairgrounds fees, paid staff at the shows and Insurance. Our expenses are considerable. We have 92 memberships this year, most are couples or families for a total of 155 actual members. If each membership sold even \$10 worth of chances we could make over \$900. Please do your best so we can look forward to successful years in the future!

Message from FTR President Jason Black

First I would like to thank the following people:

Diane Mackey & Nancy Sorrell for copying the papers for show season.

Nichole Black, Holly Harz, Kate Harz & Kevin for doing the work in the booth. We certainly could not have done this without any of you.

Austin Thompson & Neal Burgoyne for being the ringmasters.

Carolyn Reid & the Sun E Hill farm crew for setting up the jumps at each show

Ross Sutton for moving the wagon with all of the jump standards at every show

Paul Burgess for helping with the setup of trail at each horse show.

Larry Sorrell for setting up the games & western riding.

Donna Sorrell & Anne Farden for keeping track of the points

Without each and every one of you show season would not be possible

I would also like to thank the following for sponsoring classes at our show.

The Burgoyne's Moon Disk Farm ~ Youth halter

The Fardens Maple Ridge Farm ~ Novice Youth Classes

Joyce Huntley ~ 11 & Over Walk Trot Classes

Larry & Donna Sorrell Jem Farm Appaloosas ~ Western riding

Bonnie Daniels ~ Barrel Racing

Thank you to all of these individuals for helping our club to succeed year after year!

I am also looking for **PICTURES** for the year end award banquet. They can send them to me through email which would be the best because I could just copy and paste into a word document or they can send a hard copy and I will scan it in. If they want the original back I will bring it to the banquet and return the original. **E-mail: mnblack@slc.com Mailing: PO Box 144 Winthrop, NY 13697**

THE LAKE CHAMPLAIN APPALOOSA CLUB

The Lake Champlain Appaloosa Club is open to anyone with an interest in equines. We welcome equestrians of all disciplines and all breeds of horses. The LCAC offers a Saddle Log & Driving Log Program open to all breeds of horses. We also host trail rides throughout the year. In our effort to promote the Appaloosa horse we hold a nationally pointed Appaloosa breed show and offer both Regional year awards as well as awards to Appaloosas that compete in open shows (holding classes that are pointed with LCAC) in our area. We also attend various equine functions to promote the Appaloosa.

OPEN SHOW YEAR END AWARD RULES

The object of keeping points & awarding Year End Awards (from classes pointed with LCAC & held at local shows) is to promote the Appaloosa horse in open competition.

1. A High Point, Reserve High Point, and third through sixth place award will be offered in each of eight divisions.
2. Year End Awards will be offered in the following eight divisions: Appaloosa Halter, Appaloosa English Pleasure, Appaloosa Western Pleasure, Appaloosa Youth Equitation, Western Pleasure 13 & Under, Western Pleasure 14-18, English Pleasure 13 & Under, English Pleasure 14-18.
3. A member of the point committee will collect and keep track of points from each show pointed by LCAC.
4. Rider and owner of the horse must be LCAC member for the points to count. Family members include: father, mother & children under 18 yrs. (all ages are as of Jan. 1 of the calendar year). Memberships must be paid before classes can count toward points.

6. Appaloosa Halter: To be judged on type, conformation, action, substance, quality and manners.
7. Appaloosa English Pleasure: To be judged on horse's way of going at the walk, trot & canter both ways of the ring. May be asked to back.
8. Appaloosa Western Pleasure: To be judged on horse's way of going at the walk, jog & lope both ways of the ring. May be asked to back.
9. Youth Pleasure classes will be pointed as to placing in open pointed Youth Pleasure classes & are not separate classes.
10. Shows that will be pointed will be listed in the LCAC newsletter.

11. Appaloosa Youth Equitation: Tack optional. To be judged on the rider's equitation at the walk, trot/jog & canter/lope. Pattern Required May be asked to back.

The following table will be used to award points:
